If you love Historic and Classic motor sport January is going to be a perfect month. If you enjoy close racing and interesting cars with an international flavour you will also have a very enjoyable month

This weekend 14/15th January is the Tasman Revival meeting at Hampton Downs on the national track and again HRC has arranged another group of interesting classes. These include Historic Formula Ford, Formula Junior, the mighty Historic Muscle and Historic Saloons, Historic Sports Sedans (race cars from the Golden era of all comers racing) Sports Cars, Libre, Pre 65, all three BMW groups and Classic Trial. We already have 12 Mustangs and six Camaro's plus a number of Pontiacs entered for the Historic Muscle Cars and Historic Sports Sedans are heading for 20 entries before entries close, expect some iconic NZ cars in this field.

For the Tasman Revival Taupo, Hampton Downs and the Ken Smith Festival HRC is running a Formula Libre series and NZIGP has made the famous Ultimate Trophy available for the leading single seater driver, this cup was first won by George Smith in 1956 and Howden Ganley in 1961, the leading sports Car driver will be awarded the Ken Wharton Trophy. At the Tasman Revival at Taupo we had 17 entries, for the Tasman Revival at Hampton we have 24 entries and this includes seven formula Atlantic cars. This is the most Formula Atlantic Cars we have seen in Auckland for a long time. Added to this field we have some serious sports cars. The guickest being David Glasson in the Juno Cn closely followed by Nicholas Barker in the Reynard Inverter 09Q and Dean Mc Carroll in the Juno. Quickest of the Atlantics was Carl Wall in a Reynard and actually did the fastest lap time at Taupo. Will be interesting to see how the old master Ken Smith goes against this trio. James Watson in the Swift DB4 should be quick, he has been doing 7 km runs each day, dropped his weight by many kilos and spent hours on the simulator. We also have a late entries from Matea Ferrer (International driver from Monaco) in Dean Cockertons Reynard entered by Kenny Smith Motorsport and also Andy Higgins has entered in an Atlantic. Should provide some great open wheeler racing.

For the Ken Smith Festival the Formula Libre field has a massive thirty nine cars. Another HRC class getting maximum entries.

The Historic Muscle cars have a capacity field of 35 cars including the Australian entries and the historic Sedans have a great field of cars including the Dobbe Viva, Addis Charger, Bartley Ford Customline, and many more well known Sports sedans

The weekend of 21st and 22nd of January is the NZ Festival of Motor Racing celebrating Ken Smith. The event this year is being promoted and organised by Hampton Downs Motor Sport Park. The event has drawn a large number of F5000 entries from around the world. The Old Grand Master of Motorsport intends to win, so we can expect some great F5000 racing. A number of Historic Formula One cars will also be racing in a separate race. Cars include BRM 201,207, Lotus 76, McLaren M26, Hesketh 308's, Surtees TS9, McLaren M23. The wail of a Cosworth in itself will worth coming to the Festival. A large number of Formula Juniors are expected from all round the world as the meeting is part of Formula Junior Diamond Jubilee World Series (www.formulajunior/events/). Adding to the spectacle are Historic Formula Ford, Historic Muscle and Historic Saloons, Formula Libre, Heritage Saloons and as a special guest class Central Muscle Cars. Plenty of V8 action plus some very special Historic Cars. This event will be run on the new extra long International Circuit.

The above three meetings can be entered on <u>www.motorsportentry.com</u>, spectator tickets for the Tasman revival rounds are available on <u>https://www.iticket.co.nz/go-to/hrc-events</u> and Spectator tickets for the Ken Smith Festival are available on <u>www.hamptondowns.com</u>

Formula Libre News – Article by John Tomlin

Well what a blinder of a series opener at Bruce McLaren Motorsport Park last weekend 17 entries and what I can only describe as epic racing right throughout the field. As the commentator I can tell you there is nothing better than calling great racing where there are several battles going on all the time. This is certainly encouraging for the remainder of this series as the Sports cars and the Single Seaters turned it on in the Libre races. Congratulations go to Carl wall and David Glasson who made a clean sweep of their class wins and whilst David had the wood on the field in all three races the last race proved that once Carl Wall got a handle on Taupo track (having never seen it before the weekend) and managed to get past a very determined Anton Aalders he had the pace to match David. So with the coming two rounds and with a returning Dean McCarroll with an uprated engine, Garry Rush getting to terms with the Electrical problems in the Swift DB4, James Watson turning up in a late model DB4 (he is a Hampton Downs specialist on both two and four wheels) plus Aalders and the Barkers and next weekend will be brilliant.

Once we get to the festival there is a big field and the aforementioned Messer's Glasson, Wall, McCarroll, Rush and Watson will have their hands decidedly full with not only each other but also the international Mateas Ferrer from Monaco in a Reynard, Andrew Higgins Swift DB4, Poul Christie McLaren M10B and one K. J. Smith MBE Swift DB4 it will be one of the best races at the festival.

Formula Libre future is looking bright so let's keep the momentum going. There are still a few grid spots for next weekend and the festival is almost full so if you haven't entered you'd better do so. If you can't make this year get your car out of the garage and plan for next year because Libre IS BACK!
