

INTRODUCTION TO MOTORSPORT

Sunday 11th February 2018

Following on the success of previous session, HRC will be running another Introduction to Motorsport Day at Hampton Downs Club Circuit. Designed to help people who want to try Motorsport without the pressure of turning up at an event without any training. At the event we will have experienced club members as well as tutors.

The day is also open to more seasoned competitors who would like some tracktime / coaching and light competition, so fields will be split into groups with time delays.

We will start the day with an introduction to the team, then cover safety elements (Helmet, Overalls, Flags etc). There will then be a track walk to help you understand the "Racing Line" before we open the track for you to either circulate at your own pace, take race car rides with our instructors or receive instruction in your own car. There will be a maximum of 6 cars on track at any one time and you will be divided up into groups of similar ability.

FAQ

What Safety Wear do I need?

To enter, you will need a single layer cotton overall (Buy from a Safety Shop) and a suitable helmet. We will have some overalls and helmets available to loan – please advise if you need one when registering.

What Car can I bring?

You can bring your everyday road car (Must be of Warrantable Standard) or a race car with MSNZ Logbook.

What Licence do I need?

Your NZ Driving Licence is all that is required. If you have a MSNZ Race or Clubsport Licence, these are also acceptable.

Can I take a passenger?

Passengers can only be carried in cars with Roll Cages and Full Harnesses. All passengers must wear appropriate safety wear.

Is it safe?

We will be holding the event under a MSNZ Clubsport permit. There will be Ambulance and Rescue facilities in attendance.

Why can't we run it on the Big Circuit?

The reason for using the Club Circuit is to keep costs and speeds down. We want you to take your pride and joy home intact. As we are running under a MSNZ Permit, we are limited to 6 cars on track at any one time. The Club circuit is sufficiently challenging and you will have plenty of time on track.

XXXX Track is only charging \$xxx
